alpha pregnancy center

Offering families a future and a hope

September 11, 2017

Dear Pastor/Liaison,

On October 21st, your church will have the opportunity to **directly bless women and families in need** by participating in our Walk for Life.

Alpha Pregnancy Center's Walk for Life is unlike any other walk you've participated in. Of course, *like other fundraising walks*, participants will help us raise funds that will allow us to continue ensuring that families facing unplanned pregnancies have everything they need to keep and raise their child in abundant love. However, *unlike other fundraising walks*, participants will also have the incredible opportunity to witness firsthand the result of the support they raise by meeting moms who have chosen to keep their surprise babies because of the services offered through APC.

Teams of walkers will first gather at Alpha Pregnancy Center, then set out on their journeys to deliver gifts to families that have been served by our center, then conclude with a celebration of life at John McLaren Park. **Together, we will cover the Excelsior District with love, hope, and joy.**

I'd love to see you and your church at our Walk for Life. This week, you should be receiving two packages – one containing Walk for Life posters that can be displayed around your church, and another containing postcards that can be distributed among your congregants. On the reverse side of this letter, you'll also find sample event announcements that can be placed in your bulletin. If you'd like to learn more about our ministry or this event, I'd love to hear from you at 415.584.6800 or faith@alphapc.org. Otherwise, **see you on Saturday, October 21!**

Sincerely,

Faith Wirajsilp
Co-Director

If you've decided that you want to offer your church an opportunity to walk in obedience to Christ's call to protect the fatherless and bring justice to the needy, it may be helpful to get your congregation in the know by placing an event announcement in your church bulletin. Below are a few sample announcements:

Alpha Pregnancy Center's Annual Walk for Life

Come participate in this year's **Walk for Life on Saturday, October 21st**. This event is more than just a group of people marching in a circle; this is an opportunity to directly minister to a family that has faced an unplanned pregnancy. We'll start at APC then split into small teams and cover the community with Christ's love as we deliver gifts to the moms and children that have been served by APC. Then, all walking teams meet at John McLaren Park for a celebration of life afterward! For additional information or to register, visit www.alphapc.org or call 415.584.6800.

Or try this:

Walk For Life

How can you help someone who is going through an unplanned pregnancy? How can you bless a single mom? Alpha Pregnancy Center's annual Walk for Life gives you the opportunity to directly minister to parents who need your encouragement and prayers. The event is scheduled for Saturday, October 21st. Contact Alpha Pregnancy Center at 415.584.6800 or visit www.alphapc.org for more information.

Here's a third option; it's a bit bolder:

Are you a talker, a bona fide walker?

Walk out your faith and share the love of Christ with moms who've experienced unplanned pregnancies by participating in the Walk for Life on Saturday, October 21st. This one-of-a-kind event begins at Alpha Pregnancy Center, allows walkers to deliver gifts to a family that has received support from our ministry, and then concludes with a celebratory barbecue at John McLaren Park. For more info, contact Alpha Pregnancy Center at 415.584.6800 or visit www.alphapc.org.

Thanks for partnering with us to offer families a future and a hope!
